

FARAZ ALI

Android & Flutter Developer

PROFESSION

I'm Faraz Ali Android Developer with a solid grasp of Java Kotlin and Flutter, equipped with hands-on experience in Android Studio and Flutter Firebase Database. A recent graduate in Information Technology from Sindh University, I bring a passion for delivering user-centric mobile applications. Proven ability in problem-solving and a commitment to staying current with industry advancements. Eager to contribute to dynamic projects, I seek a role that enables continuous learning and professional development in the field of Android or Flutter development.
