Experience

XDUCE TECHNOLOGY PVT LTD

AHMEDABAD

ANGULAR DEVELOPER

APRIL 2024 – PRESENT

TECHNOLOGY USED: ANGULAR-14, ANGULAR-16, ANGULAR MATERIAL, RXJS, NGRX, AG-Grid, SCSS, FLEX LAYOUT, HTML, CSS.

PROJECT NAME: IEEE NEXTGEN (Fintech Project)

- Developed innovative product solutions and resolved critical production bugs to enhance user experience and improve overall application performance for a **Fintech platform**.
- Implemented new functionalities based on project requirements, delivering enhanced features that improved the platform's usability and efficiency.
- Addressed design issues and bugs in existing modules, ensuring a seamless and polished user interface, adhering to **fintech** industry standards.
- Worked on making all modules **fully responsive**, ensuring optimal viewing and interaction across a variety of screen sizes and devices, crucial for user accessibility.
- Maintained and optimized **CI/CD pipelines**, ensuring smooth and reliable deployment processes, reducing downtime, and improving the speed of new feature releases.

PROJECT NAME: BNY MELLON - NETX360 (FINTECH)

- **Project Migration:** Led the migration of the NETX360 platform from Angular 14 to Angular 16, ensuring smooth transition with minimal disruption to ongoing development.
- **Bug Fixing & Issue Resolution:** Actively resolved critical production issues, ensuring that the platform maintained high stability and performance.
- **CI/CD Implementation:** Enhanced CI/CD pipelines for smoother testing, deployment, and integration of code, accelerating the release cycle.
- **JIRA Ticket Handling:** Managed and resolved **JIRA tickets** related to production bugs, ensuring timely resolution and effective communication with stakeholders.
- **Collaboration & Code Reviews:** Collaborated with **cross-functional** teams to ensure proper integration of new changes and to maintain code quality through **regular code reviews**.
- **Team Collaboration:** Fostered a collaborative team environment by sharing knowledge, offering solutions, and assisting teammates in overcoming challenges, contributing to the overall success of the project.

JS Techno Pvt Ltd

AHMEDABAD

JR. FRONTEND DEVELOPER

SEP-2023 – FEB-2024

Technology Used: VUE JS, VUETIFY, JAVASCRIPT, BOOTSTRAP, BOOTSTRAP-VUE, VUEX, HTML-CSS, VUEX, AXIOS

PROJECT NAME: RSPT (Gym Admin Panel)

- Developed the frontend for a **Gym Admin Panel (RSPT)** using **Vue.js, Vuetify, JavaScript, and Bootstrap**.
- The application allows users and trainers to create accounts, manage client and trainer profiles, track nutrition plans, manage supplements, and handle suspension functionalities.
- Implemented a dynamic and **fully responsive UI** to ensure a seamless user experience across devices.
- Integrated **Vuex** for state management, ensuring smooth data flow and consistency across the app.
- Used **Axios for API communication** to facilitate secure and fast data fetching and updates.
- Designed a comprehensive admin dashboard to provide easy access to key gym metrics and operational data.
- **Managed the entire project** from scratch and ensured that it met the client's requirements with regular updates and enhancements.
- Ongoing maintenance and new feature implementation based on client feedback and evolving needs.

TECHNOLOGY USED: REACT JS, MATERIAL UI, TAILWIND CSS, HTML, CSS, AXIOS, REACT ROUTER.

PROJECT NAME: AVIO CERAMIC– [<https://www.avioceramic.com>]

- Developed the **Avio Ceramic** website from scratch using **React.js, Material UI, Redux, Tailwind CSS**, and other modern libraries to create a seamless, **user-friendly experience**.
- The website is fully responsive, ensuring an optimal viewing experience across all devices, from desktops to mobiles.
- **Integrated Material UI** for a modern, clean, and **consistent design**, enhancing user experience with ready-to-use components.
- Utilized **Redux** for state management to ensure smooth data flow and consistent updates across the website.
- Implemented **Tailwind CSS for utility-first styling**, enabling fast development and a scalable, customizable design.
- Used **Axios** for API communication to fetch and post data from the backend efficiently.
- The website features a user-friendly interface that allows easy navigation through product categories, details, and contact sections.
- Followed **Continuous Integration/Continuous Deployment (CI/CD)** practices to automate testing, deployment, and updates.
- Managed the **project end-to-end**, including maintaining features, implementing new functionalities, and making improvements based on client feedback.

STEPIN SOLUTION

JUNIOR DEVELOPER

AHMEDABAD

SEP-2022 – JULY-2023

- During my time at Stepin Solution, I worked as a full-time developer, gaining hands-on experience with PHP and utilizing **Postman** for **API testing**, which enhanced both my development and testing skills.
- I was responsible for managing and overseeing the **SMTP system**, where I identified and resolved issues related to failed emails, ensuring successful mail delivery and processing.
- My daily tasks involved analyzing and **troubleshooting failed emails**, identifying errors, and reprocessing them to ensure the smooth operation of the **SMTP system**.
- This role provided me with a deeper understanding of email delivery systems, error handling, and optimizing the email processing workflow.
- The experience allowed me to refine my **problem-solving skills**, especially in debugging, and gain a practical understanding of backend processes while contributing to the overall maintenance and improvement of the system.

AXIS BANK

BUSINESS DEVELOPMENT EXECUTIVE

VADODARA

DEC-2021 – JUNE-2022

- Managed customer relations, promoting Axis Bank products and services, including loans, insurance, investment planning, and financial advisory.
- **Cross-sold third-party products** alongside Axis Bank offerings to provide tailored financial solutions and improve customer satisfaction.
- Delivered exceptional customer service by addressing inquiries, resolving issues, and ensuring clients understood their financial options.
- Provided expert financial advice to clients, helping them achieve their financial goals with personalized banking and investment solutions.
- Collaborated with the sales team to meet monthly targets and contribute to the bank's growth.
- Gained in-depth experience in financial advisory, communicating complex products effectively and helping clients make informed decisions.

Skills

FRAMEWORKS:	ANGULAR, REACT JS, VUE JS, HTML
PROGRAMMING LANGUAGE:	JAVASCRIPT, TYPESCRIPT, NODE JS
COMPONENT LIBRARIES:	ANGULAR MATERIAL, MATERIAL UI, BOOTSTRAP-VUE, VUEXY, VUETIFY, AG-GRID
CSS FRAMEWORKS:	BOOTSTRAP, TAILWIND CSS, SASS/SCSS, FLEX LAYOUT
BACKEND TECHNOLOGIES:	NODE JS, EXPRESS JS, MONGOOSE
STATE MANAGEMENT:	NgRx, VUEX, REDUX
DATABASE:	MYSQL, MONGO DB
DEVELOPER TOOLS:	GIT/GITHUB, GITLAB, JIRA, VISUAL STUDIO, POSTMAN, FIGMA, CANVA
OTHER TECHNOLOGIES:	RxJS, UI/UX Design, GSAP

Education

SARDAR PATEL UNIVERSITY

BACHELOR'S OF COMPUTER APPLICATION

GPA: 5.5

ANAND

MAY-2017 – OCT-2020

RAJASTHAN INSTITUTE OF ENGINEERING AND TECHNOLOGY

MASTER'S OF COMPUTER APPLICATION

GPA: 9.2

JAIPUR

NOV-2021 – FEB-2024

Certification's

SEP-2024	ANGULAR DEVELOPER,	UDEMY
OCT-2024	UI/UX DESIGNER,	GREAT LEARNING
NOV-2024	HTML DEVELOPER,	TUTORIAL POINT
