Objective

Self-motivated QA Tester with 2.6 years of experience in software testing, including manual and automation techniques. Proficient in Selenium, Postman API testing, and a variety of testing methodologies, aiming to contribute to the quality assurance processes of a dynamic organization.

Summary

- **2.6 years** of experience in **Manual Testing** with expertise in **Agile methodologies**.
 - Skilled in both **Functional Testing** and **Automation Testing** using Selenium.
 - Hands-on experience in **API Testing** using **Postman** to validate request and response workflows.
 - Proficient in **Mobile, Web, and Desktop Game Applications** testing.
 - Comprehensive understanding of **SDLC, STLC, and Defect Life Cycle**.
 - Expertise in **Regression, Integration, System, Compatibility, Smoke, and Sanity Testing**.
 - Proficient with tools like **Selenium WebDriver, Postman, JIRA, TestRail**, and IDEs like **Android Studio and Xcode**.
 - Experienced in preparing **test cases**, generating **Daily Status Reports**, and mentoring team members.
-

Skills

Testing Expertise

- Manual Testing, Functional Testing, Regression Testing, API Testing, Smoke Testing, SDK Checks, Sanity Testing, Compliance Testing.

Technical Skills

- **Automation Testing:** Selenium WebDriver, TestNG, Maven.
 - **API Testing:** Postman (validating GET, POST, PUT, DELETE requests).
 - **Languages:** Core Java, SQL.
 - **Bug Tracking Tools:** JIRA, TestRail.
 - **Other Tools:** Xcode, Android Studio, Apple Configurator 2, iTools.
-

Professional Experience

QA Tester

Game Cloud Technologies Pvt. Ltd. (12 July, 2022 – 10 Dec 2024)

- Designed and executed manual and automated test cases using **Selenium WebDriver**.
 - Performed API testing using **Postman**, validating response codes, payloads, and error handling.
 - Conducted detailed **Functional, Regression, Smoke, and Ad-Hoc Testing** to ensure product quality.
 - Collaborated with developers to debug Selenium test scripts and optimize automation suites.
 - Managed bug reports and tracked defects using **JIRA**, ensuring timely resolution.
 - Tested mobile and desktop game applications on devices including **Android, Apple, and Chromebook**.
 - Executed compliance and SDK checks to meet certification standards.
 - Actively mentored team members in automation tools and best practices.
 - Delivered **Daily Status Reports (DSR)** and test metrics to stakeholders.
-

Education

- **Bachelor's Degree** in Electronics and Telecommunication Engineering (6.4 CGPA)
Aditya Engineering College
 - **Polytechnic Diploma** (61.00%)
Government Polytechnic, Solapur
 - **HSC** (67.69%)
K.P.B.D Secondary and Higher Secondary School
 - **SSC** (71.09%)
Aurangabad Board
-

Certifications and Achievements

- **Software Testing Intern**, Naresh IT Tech, Hyderabad (Jan 2022 – June 2022):
 - Created and executed manual test cases.
 - Conducted automation testing using Selenium WebDriver.
 - Validated APIs and logged defects using Postman and JIRA.
