

# SHIVANGI AGRAWAL

## Full Stack Developer

📞 9669066607    @ agshivangi3393@gmail.com    [🌐 linkedin](#)    [🌐 gitHub](#)    📍 Ahmedabad, Gujarat

## SUMMARY

Full Stack Developer professional with 1+ year of experience in software development and project management, expert in Node.js and Express.js. Seeking a Full Stack Developer position at your company, where my software development and project management skills can support your mission of delivering innovative software solutions.

## EXPERIENCE

### Full Stack Developer

#### Start-Up Sahay® Private Limited

📅 02/2024 - Present

Software development company specializing in full stack web development.

- Collaborated with a team of 4 developers to design and develop multiple enterprise-level web applications.
- Successfully built and deployed a **CRM (Customer Relationship Management) system, Recruitment Portal, HR Portal, and a Dynamic Application Form** using the **MERN stack**.
- Spearheaded backend development with Node.js and Express.js, implementing robust functionalities for data processing, user authentication, and scalable RESTful API endpoints.
- Enhanced the system's reliability, performance, and scalability through rigorous testing, debugging, and optimization, leading to a 30% increase in customer retention and revenue growth.
- Recommended and implemented best practices, resulting in a significant reduction in processing times and an increase in team productivity by over 20%, directly impacting the company's bottom line.
